NEWTON, N.J. -- Nature is filled with all types of patterns, structures, and designs? from snowflakes, to strands of DNA, to branches of trees. Through the 3000 year old teachings of King Salomon we can learn about Sacred Geometry, the divine language of numbers and symbols that God used to create the universe.

On every scale, the natural pattern of growth and movement conforms to one or more geometric shapes. Sacred Geometry is God's blueprint of creation and the primordial genesis of all form. It is an ancient science that explores and explains the energy patterns that unify all things and reveals the precise way creation is organized. Geometry as an art was formed in heaven as a precursor to all creation. Sacred Geometry is the study and contemplation of Divine Proportion and the geometric patterns that are fundamental to the creation and structure of the Universe. In understanding these geometric patterns and vibrational energies, one learns the pure language of the cosmos and gains access to universal wisdom. As you enter the world of Sacred Geometry, you begin to see the wonderfully planned and patterned beauty of creation.

Join The Tree of Health Center as we bring you a Sacred Geometry class on Sunday, Jan. 26th from 2-5 p.m. The cost is \$67 or \$60 if you register at least one week prior to the event. The class will cover the history of sacred geometry in sacred art and architecture, how sacred geometry created the universe, and the basic divine shapes that are crucial to sacred geometry. You will also learn how to create a temple and holy space in your home and energetic handing-down and rituals are included so you can begin to wield the power of sacred geometry in your personal and professional life.

This class is led by Debra M. Hollinrake, a Life Activation Practitioner and Step 2 Initiate representing the Universal Great Brother and Sisterhood of Light in service to humanity, trained and certified through the Modern Mystery School (MMS). She is an authorized teacher of Sacred Geometry and Spiritual Intuition through MMS and is also a Spiritual Life Coach, EFT Practitioner and Law of Attraction Counselor.
