NEWTON, N.J. -- The holidays are upon us. Credit cards are silently calling and stress is mounting. Enter The Tree of Health Center. November 16th, just in time for the holidays, we are offering a nurturing day for the Body, Mind and Spirit - a triple delight day of stress reduction, financial empowerment and universal celebration.

Delight #1 starts at 1 PM for three hours of fun and hands-on practice to naturally release your stress – quickly and permanently. Feel your anger, stress, grief, fear and physical pain away. The Good Witch of the North said, “*You have no power here! Begone...!*” EFT is your Good Witch of the North – and seemingly just as magikal too. The investment for this workshop is \$85/person.

Wondering how you’ll afford all the financial demands of the season? Is it possible to have a “cash” Christmas? You bet! Delight #2 brings us Mark & Terri Trapp, our financial wellness coaches, from 4:30 to 5:30 PM, offering real life money tips and showing you how to embrace your financial power so it can blossom into full blown financial freedom. Admission is free for this introductory session.

Delight #3 brings us the magikal pull of the full moon. From 7-9 PM, we’ll honor and celebrate the Full Moon in Taurus and receive its blessing. We are honored to have Kathleen Gonzalez, Wiccan Priestess and energy and light healer, leading the event. With the full moon in Taurus, Kathleen will help us to receive its magik - the opportunity to assess our priorities, release what doesn’t serve us and allow something far greater into our beings to create the life we truly desire. Topping off the day’s Body-Mind-Spirit celebration will be a pot luck feast with all who attend, as we share in the loving and embracing energy of a very powerful moon and a very powerful day. Suggested donation is \$25 plus a pot luck dish.

Debra M. Hollinrake, Partner at The Tree of Health Center, says, “*The universe is certainly supporting us in our efforts to bring balance and well-being to our community. Offering this ‘triple delight day’ is a great way to share the knowledge and power that comes from just being honest and getting to know ourselves – right here in Sussex County.*”

We invite you to join us in the oasis of warmth and caring at The Tree of Health Center. On November 16th you can begin a fun and creative journey toward enrichment, empowerment and celebration.
