NEWTON, N.J. -- The Tree of Health Center invites Reiki practitioners to come to our center to share Reiki to each other as we practice and refine our skills and deepen our relationship with Reiki. We also invite community members to experience the healing power of Reiki from all of the practitioners. The Reiki Share & Clinic takes place on Saturday, Dec. 28th with the Reiki Share taking place in the morning from 10-12 and the Reiki Clinic in the afternoon from 12-3.

The Reiki Share is a chance to share with each other what we are looking for as Reiki practitioners and how we can make this a better experience to enrich our practices. We will discuss our challenges, our spirituality and our best practices so we can help each other develop our skills and continue to positively grow and prosper. The Reiki Share will include The Tree of Health Center's own Reiki practitioners: Linda Mitchell, Kathleen Gonzalez, and Debra M. Hollinrake.

The Reiki Clinic is a chance for community members to enjoy a Reiki session. You can go about the rest of your day and your week having reduced stress and an increase in "life force energy." Begin to heal the blockages that are preventing you from being at your very best and spread that goodness out into the world when you walk back out the door. Join our oasis of warmth and caring at the Tree of Health Center as we share our vision of community growth and well-being, with the goal of spreading the gift of balance, wellness and peace throughout the world.

We invite you to join us for the Reiki Share & Clinic at The Tree of Health Center on December 28th. The cost is \$10 for practitioners at the Reiki Share and \$25 for 30 minutes for the Reiki Clinic. To register or to get more information, please email [info@thetreeofhealthcenter.com](mailto:info@thetreeofhealthcenter.com), call (973) 500-8813 or visit our website at [www.thetreeofhealthcenter.com](http://www.thetreeofhealthcenter.com). If you can't make it on the 28th don't worry, the Reiki Share & Clinic is a monthly event that will take place on the fourth Saturday of every month.

### About The Tree of Health Center

"The Tree of Health Center" is a community rooted center that takes into consideration that there are many ways to grow, heal and stimulate self-awareness for a healthy mind, body and spirit. The goal is to bring together the best of Natural & Modern Medicine and bridge the gap between all healthcare traditions. Everyone at the Center helps you to facilitate a healthier lifestyle, stronger relationships, and a sustainable future for the health and welfare of our worldwide community.
