Have you ever wondered if there was anything that would help you bring about changes in your life that you previously thought were impossible? Perhaps, you want to change your life by learning how to expand your awareness and perceive more than you ever thought you could? The Tree of Health Center is offering two intriguing classes that will help you achieve these goals.

On Saturday, June 7th, community members are invited to The Tree of Health Center for their **"How to Use the Law of Attraction"** class. This powerful class will teach you what the Law of Attraction *really* is and how to wield its power for your benefit.

Great philosophers and leaders have been telling the world about the Law of Attraction for thousands of years, and yet its positive gifts still seem to slip through our fingers. Buddha said, *"What we are today comes from our thoughts of yesterday, and our present thoughts build our life of tomorrow: Our life is the creation of our mind."* Buddha knew about this amazing law, and now you can learn about it too.

Join The Tree of Health Center on Saturday, June 7th from 6-9 PM and take a closer look at what makes the Law of Attraction "tick", what modern science tells us about it and how to make it work for you. Participants will begin to understand that the Law of Attraction is and always has been working tirelessly in your life. The investment for this program is \$50 at the door or \$ 45 for one week prior paid registration.

If you prefer to develop your psychic abilities, join The Tree of Health Center on Sunday, June 8th for their **"Developing Your Spiritual Intuition"** class. This class is focused on opening, developing, and perfecting your intuition: Clairvoyant (Spiritual Vision), Clairaudience (Spiritual Hearing), and Clairsentience (Intuition & Feeling). Maybe you already have a natural ability in one of these areas, but all three gifts must be opened and integrated for you to become a clear receiver. When these abilities are developing you gain intuitive guidance, teaching, healing, and spiritual growth.

Albert Einstein said, *"The Intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honors the servant and has forgotten the gift."* Begin to honor your sacred gift by attending The Tree of Health Center on Sunday, June 8th from 3-5 PM, and learn how to expand your awareness and perceive more than you ever thought you could. The investment for this program is \$35 at the door or \$30 for one week prior paid registration.
