

Dear Potential Sponsor,

The Tree of Health Center (TTOHC) would like to offer you an opportunity to promote your business and gain direct exposure to customers within your market area. This opportunity will benefit your company immensely, as well as promote health and wellness within our community.

TTOHC was founded by Linda Mitchell in June of 2012. Linda has had a passion for health and well-being most of her life. Her partner, Debra M. Hollinrake, joined the center in 2013. Debra is devoted to education and service as it relates to natural healing and spiritual development. Natural healing, in many ways, has accomplished what modern medicine could not. Both women practice non-invasive treatment and meditation as well as helping clients find balance and peace in their lives.

TTOHC is proud to host the second annual “**Universal Health Fair**”, to be held on September 24th, 2016. It will bring into the limelight healthcare practices and medicine, cultural cuisine and entertainers from around the world. The Universal Health Fair will take place on the “Green” in the Town of Newton and flow down Spring Street to the Newton Theater. Your company will have exposure to over 100 vendors and hundreds of people from Sussex County and beyond.

Additionally, 25% of your sponsorship will go to our Universal Children’s Fund (UCF). This fund will benefit children in grades (K-12). Your contribution to UCF will help to pay experts in their fields teach creative new programs for wellness and stress reduction to the next generation.

Thank you for your time. We look forward to working with you in making our community a better place. For more information, please feel free to contact us.

With kindest regards,

Donna Zweig
